# WASHING BASKETBALL

GET ACTIVE

15 MINUTES

IN THE  
CUPBOARD

## GETTING INTO THE ACTIVITY

A competitive challenge for the whole family to get involved with.

Place your washing basket a few metres away from a throwing line. You have 45 seconds to throw as many laundry items into the washing basket as you can. However, all the clothes you throw you must be wearing at the start of the challenge, so you'll need to be wearing multiple layers of clothing. You must keep one layer of clothes on at all times. You score a point for every item in the basket after 45 seconds.

Check out James Corden completing the challenge and explaining the rules here - <https://youtu.be/6GrvfFbB5Rw>

Give it a try and then challenge family members to beat you. Take a video of your washing basketball challenge and share it with your BB group or post on social media using #BBatHOME.

# OUTDOOR COOKING

GET  
ADVENTUROUS

45 MINUTES

PREPARATION  
NEEDED

## GETTING INTO THE ACTIVITY

Head into the garden and do a bit of outdoor cooking on a BBQ.

Either using a gas/charcoal BBQ or a shop brought disposable BBQ, learn how to cook food such as burgers, sausages and chicken. This activity requires adult supervision.

Before cooking make sure the BBQ is ready and hot enough. If using charcoal, then these will need to have turned a grey colour (roughly 15 minutes).

Think about what food you'd like to cook on the BBQ and if it requires any preparation. You might want to search online for different foods and recipes that work well on a BBQ.

Once you've cooked on the BBQ, serve the food, sit down and enjoy the meal as a family.

Take a photo of you outdoor cooking and share it with your BB group or post on social media using #BBatHOME.

# MY MONOPOLY

GET CREATIVE

1 HOUR +

PREPARATION  
NEEDED

## ▶▶ GETTING INTO THE ACTIVITY

Create your own version of Monopoly, featuring properties, landmarks and places that are important to you.

To create your monopoly board, print off the template at the bottom of the pack or draw and create your own. If creating your own, find a large cardboard box and use this.

You'll need to think of what properties and places you'd like to include on your board. Remember the properties get more expensive as you go around the board, so think about what order you'd like yours to be in. Give each property a price too.

Once your board has been created you can now play the monopoly game with your family. If you own a monopoly set then use this for the money, playing pieces, rules etc. If you don't own the game, then you can create your own money and playing pieces too.

Take a photo of your monopoly board and share it with your BB group or post on social media using #BBatHOME.

# THE DREAM TEAM

GET INTO THE BIBLE

20 MINUTES

READY TO GO

## GETTING INTO THE ACTIVITY

If you could choose your 'dream team', who would be on it and why? Think about the below situations and for each one choose 5 people you would pick to be on your team.

Win the World Cup, hold the best ever party, play as a team on a video game, solve a world problem, form a band, start a business with.

You'll have probably chosen your dream teams for each situation based on their talents, skills, experiences or just because they are 'cool'. In the Bible, Jesus also picked his 'dream team'. These people were his disciples. Jesus didn't pick people who were the coolest or the most skilled, he picked the kind of people that would often be overlooked. The disciples didn't think they were worthy of being on Jesus' team.

Jesus also wants you to be on his team of disciples, no matter what skills you have or what you think of yourself. You don't have to be the best at anything - you just have to be you! Are you ready to be on Jesus' 'dream team'?

## ▶▶ GETTING INTO THE ACTIVITY

Give a helping hand at home by offering to help do some jobs in the garden.

There are often lots of jobs which can be done in the garden at this time of year. From cutting the grass, to clearing weeds, building flower beds to planting flowers.

Speak to an adult and discuss what jobs you could do in the garden to help out. Together agree a plan and double check to make sure you know how to complete the task. Aim to complete at least one hour of work as part of the activity.

Even if you don't have a garden, there may still be weeds around your doorstep or a driveway which could be cleaned etc.

Take a photo or video of you gardening and share it with your BB group or post on social media using #BBatHOME.

# PRINGLE RING

GET LEARNING

15 MINUTES

PREPARATION  
NEEDED

## GETTING INTO THE ACTIVITY

Can you create a perfectly engineered loop of pringles, by carefully balancing the crisps on top of each other?

Using a pack of pringles, try to create a freestanding loop of crisps. To do this, you'll need to stack the pringles on top of each other, using the curve of the crisp to create the shape and give the ring its structure. Make sure you use lots of crisp at the bottom to give you a strong base.

Google 'Pringle Ring' or search on YouTube for pictures and videos to help you build your pringle ring.

Once completed, share a picture of your pringle ring with your BB group or post on social media using #BBatHOME.

## WHAT YOU'LL NEED

- 2 Packs of Pringles
