Bringing the BB adventure to you . . .

#BBATHOME

## Weekly Activity Pack

27th April to 3rd May

**Tin Can Alley**

**Toasting Marshmallows**

**Pizza Portraits**

**Measuring God's Love**

**I've 'Bin' Kind**

**Juggling**

# TIN CAN ALLEY

GET ACTIVE

20 MINUTES

READY TO GO

## GETTING INTO THE ACTIVITY

Recreate a classic carnival game and challenge your family to play with you.

For this activity you'll need 5-10 tin cans (or you could substitute tin cans for drinks cans, bottles or other items). Using empty food cans such as baked bean and soup tins is ideal. Make sure you clean them out first. If you have time, you could also decorate the cans with paints or other craft materials.

Line the cans up on a table. You can either create a straight line or you could build a pyramid of cans. Set up a throwing line a couple of metres away. Pair some socks up to make sock balls.

Take turns to throw the balls and try to knock the cans off the table. Score a point for every can you knock off. You could write numbers on the cans, so different cans are worth different points. Which family member can score the most points?

Ask a grown-up to take a photo or video of your game and share it with your BB group or post on social media using #BBatHOME.

## WHAT YOU'LL NEED

- Tin Cans
- Sock Balls
- Craft Materials

## NOTES FOR PARENTS & CARERS

Please be careful with the cans - some may have sharp edges. An adult should initiate any contact with the BB group and/or share on social media.

# TOASTING MARSHMALLOWS

GET  
ADVENTUROUS

20 MINUTES

PREPARATION  
NEEDED

## GETTING INTO THE ACTIVITY

Toast marshmallows over a flame or fire to create a tasty treat.

You'll need a heat source to toast your marshmallows. If you have a fire pit or similar, then use this. If not, use a disposable BBQ or try and create a small controlled fire in a foil tray using cotton wool, paper and cardboard. A grown-up must assist with this.

If you can't create a fire, then try toasting marshmallows over the stove or a candle.

Place the marshmallow on the end of a skewer and hold it over the flame. Be careful not to get too close to the flame and abide by the safety advice from your grown-up. Once toasted, you can eat the marshmallow as it is, or place it between two digestive biscuits to create a s'more.

Ask a grown-up to take a photo of you toasting marshmallows and share it with your BB group or post on social media using #BBatHOME.

## WHAT YOU'LL NEED

- Disposable BBQ
- Marshmallows
- Lighter
- Skewer

## NOTES FOR PARENTS & CARERS

Please make sure the space and equipment used is safe. Adult supervision during this activity is essential. An adult should initiate any contact with the BB group and/or share on social media.

# PIZZA PORTRAITS

GET CREATIVE

20 MINUTES

PREPARATION NEEDED

## GETTING INTO THE ACTIVITY

Get creative in the kitchen by creating a pizza designed to look like your face.

Use a wrap as your pizza base. Spread either tomato or BBQ sauce over the top and then sprinkle with cheese.

Now think about how you can use other toppings to make the pizza look like your face. You could use cut peppers as your face outline, salami as eyes, a mushroom as a nose, onion as eyebrows, sweetcorn for hair, mozzarella as your mouth. Be creative and think of imaginative ways to create your portrait using pizza toppings.

Once designed, place your pizza under the grill until the cheese is melted and the pizza looks ready to eat.

Before tucking into your pizza, ask a grown-up to take a photo of your pizza portrait and share it with your BB group or post on social media using #BBatHOME.

## WHAT YOU'LL NEED

- Wraps
- Tomato / BBQ Sauce
- Cheese
- Pizza Toppings

## NOTES FOR PARENTS & CARERS

Please ensure good food hygiene practise. An adult should operate the grill and initiate any contact with the BB group and/or share on social media.

# MEASURING GOD'S LOVE

GET INTO THE BIBLE

20 MINUTES

PREPARATION NEEDED

## GETTING INTO THE ACTIVITY

We are often told that God loves us - but have you ever asked how much he loves us?

For this activity you'll need the worksheet at the bottom of this pack. If you don't have a printer, then you can make your own worksheet. Spend some time completing the measuring challenges. If you don't have a tape measure, you can measure distances using your feet or hands.

The last challenge asks how much God loves us. This is a trick question - God's love can't be measured! God loves you so much that no tape measure or timer will ever be able to measure that love. He loves you so much that he will always be there to look after and protect you. How good is that! Finish the activity in prayer, thanking God for all the love he gives you.

Ask a grown-up to take a photo of you completing your measuring challenges and share it with your BB group or post on social media using #BBatHOME.

## WHAT YOU'LL NEED

- Measuring God's Love Worksheet
- Pen
- Measuring Tape
- Timer

## NOTES FOR PARENTS & CARERS

An adult should initiate any contact with the BB group and/or share on social media.

# I'VE 'BIN' KIND

GET INVOLVED

20 MINUTES

IN THE  
CUPBOARD

## ▶▶ GETTING INTO THE ACTIVITY

The people who collect the bins do a brilliant job, although are some of the keyworkers who get the least amount of thanks. Help change that by creating a card and small gift to leave for the bin collectors next time they visit your street.

**Card:** Create a thank you card or message. On it create a colourful image and a message of thanks.

**Gift:** Leave a treat for them too. This might be a small chocolate bar or bag of sweets or you might bake some cookies or cupcakes for them.

Leave your card and gift on top of, or by, the bin next time it's bin day. Make sure you place it in a bag or container and it's well labelled, so it doesn't get thrown away. Alternatively wait for them to come down your street and give it to them yourself (ensuring you follow social distancing guidelines).

Ask a grown-up to take a photo of your card and gift and share it with your BB group or post on social media using #BBatHOME.

## WHAT YOU'LL NEED

- Paper
- Craft Materials
- Small Gift

## NOTES FOR PARENTS & CARERS

Please observe social distancing guidelines if you go out to give the card and gift. An adult should initiate any contact with the BB group and/or share on social media.

# JUGGLING

GET LEARNING

1 HOUR

IN THE CUPBOARD

## ▶▶ GETTING INTO THE ACTIVITY

Learn a new skill which you can impress your family with - Juggling.

With a bit of practise and a lot of patience, juggling is a circus skill which you can learn easily at home. You will need three small balls or beans bags. If you don't have these, then try creating balls out of crumpled up tin foil or with socks.

Watch the YouTube video - **How to Juggle Three Balls** at <https://youtu.be/kCt1bmSASCI> for a step by step guide. This video keeps it simple by starting with just one ball and working your way up to all three.

Take a video of your best attempt at juggling and share it with your BB group or post on social media using #BBatHOME.

## ☑☑ WHAT YOU'LL NEED

- 3 Small Balls or Beanbags
- YouTube

## ! NOTES FOR PARENTS & CARERS

An adult should initiate any contact with the BB group and/or share on social media.

# Measuring God's Love

Complete the measuring challenges and write the answers down below.

- 1) How tall are you? \_\_\_\_\_
- 2) What is the total age of all the people that live in your house? \_\_\_\_\_
- 3) How long does it take to run up the stairs? \_\_\_\_\_
- 4) How many grains of rice in a small handful? \_\_\_\_\_
- 5) How many days is it since you was last at school? \_\_\_\_\_
- 6) How many steps is it from the front door to your bed? \_\_\_\_\_
- 7) How long does it take you to do 20 star jumps? \_\_\_\_\_
- 8) What is the furthest distance you can jump? \_\_\_\_\_
- 9) How many shoes can you find in your house? \_\_\_\_\_
- 10) How much does God love you? \_\_\_\_\_

The answer to the last question is lots! In fact no-one can measure how much God loves you, because it is so much. How cool is that!

“I pray that you will have the power to understand the greatness of Christ’s love - how **wide** and how **long** and how **high** and how **deep** that love is. Christ’s love is greater than anyone can ever know.”

**Ephesians 3: 18-19**
